14. Renumber Fees

14.1. If you need to change your phone number for any reason, then you can do so for a one off cost of £10. A new number will automatically be allocated and your existing number will be changed to your new number. This takes around 2 working days to renumber a service.

14.2. If you are requesting a renumber due to malicious calls and you have a police crime reference number, we will not charge to change your number.

15. Upgrade and Downgrade Fees

15.1. If you wish to upgrade or downgrade your speeds and are remaining on the same technology (for example, going from 40Mbps on a Full Fibre service to 80Mbps on a Full Fibre service or from a 5GB

SIM package to 10GB SIM package) then the upgrade fee is a fixed cost of £20 and your existing contract term will stay the same.

15.2. If you are changing broadband technology, then the activation fees as set out in section 1, broadband packages will apply, plus a one off cost of £20.

15.3. If you prefer to upgrade or downgrade for a reduced one off cost or if you are out of contract, you can agree a new contract. The change fees are as follows:

Product Name	6 Months Change Fee	12 Months Change Fee	18 Months Change Fee	24 Months Change Fee
Upgrade / Downgrade Fee	£20	£15	£10	£0

16. Broadband Home Move Fees

16.1. When you move home, we'll need to activate a new service for you and you'll need to select a new contract length. The activation fees are as follows:

Product Name	6 Months Activation Fee	12 Months Activation Fee	18 Months Activation Fee	24 Months Activation Fee
No New Router Required	£49	£29	£5	£0
New Router Required	£78.95	£58.95	£34.95	£9.95

17. Package Change Fees

17.1. If you wish to change your package at any time, such as adding or removing a product (e.g. changing a call package), you can do this free of charge (30 days' notice applies to removing products).

18. Account Takeover Fees

18.1. If you need to transfer your contract to another person, they will take over the same length of your contract and the same package for a one off fee of £20. The person taking over the account can choose the change the package included in the £20, so long as it is the same technology.

18.2. If a new technology is required, an additional activation fee may apply in line with section 1, broadband packages.

18.3. If the person taking over the account wishes to choose an alternative contract length, then the account takeover fee is reduced depending on the length of the contract below.

Product Name	Same Contract Change Fee	6 Months Change Fee	12 Months Change Fee	18 Months Change Fee	24 Months Change Fee
Account Takeover Fee	£20	£20	£15	£10	£0

19. Broadband Engineer Callout Fees

19.1. The last thing we want is for an engineer fee to apply, which is why we carry out certain checks to minimise the risk. The terms and conditions sets out the different scenarios in which an engineer charge may apply. There are 2 types of engineer call out charge, which are as follows:

19.1.1. Before your service is activated – One off fee of £130.

19.1.2. After your service is activated – One off fee of £180.

20. Router & Wi-Fi Booster Fees

20.1. If your router or Wi-Fi booster breaks at any time within its 12 month warranty (starting when the router was sent) due to a mechanical fault then a replacement will be sent free of charge.

20.2. After the 12 month warranty period, if a break occurs due to a mechanical fault and you are under a fixed contract term, a replacement will be sent free of charge.

20.2.1. If you are on a monthly rolling contract, you can choose to renew to receive a replacement free of charge or pay a one off cost.

20.3. If your router or Wi-Fi booster breaks due to a non mechanical fault (e.g. accidental damage) or you wish to replace your equipment and are not under a contract, a one off fee of £59.95 (includes £9.95 delivery) will apply.

20.4. If you were requested to return equipment and did not do so, (or no evidence was provided of proof) or failed to return all equipment, such as power cables, then a fee of £50 applies.

21. Delivery & Returns Fees

21.1. All of our routers and Wi-Fi boosters come with 48 hour delivery with Royal Mail for £9.95. Our prices quoted on our website or within this document will include the delivery fee.

21.2. For customers returning equipment to us, to reduce our impact on the environment we provide a PDF pre-paid returns label you can print, safely package the router and stick to the parcel and this is free of charge.

21.3. If you cannot print the label or need a returns bag and/or label to be sent to you, a fee of £4 will apply for the postage and returns bag (which is made from recycled material and is recyclable).

22. Cancellation Fees

22.1. Broadband Contracts

22.1.1. If you cancel your order before your services are activated (and at least 1 working day before the activation date) and are outside of your cooling off period, the cancel order fee is £30.

22.1.2. If you cancel within 1 working day of your activation date, then an engineer callout fee of £130 applies.

22.1.3. If you cancel once your services are activated and you are within your cooling off period then you must pay for the costs incurred to activate the services, which is a one off fee of £180 plus the days the services were activated.

22.1.4. If you cancel once your services are activated and you are outside of your cooling off period, then you will be charged 50% of the fees payable for the remaining term of the contract or 30 days notice, whichever is greater.

22.2. SIM Contracts

22.2.1. If you cancel your order before your services are activated and are outside of your cooling off period, the cancel order fee is £30.

22.2.2. If you cancel once your services are activated and you are within your cooling off period then you must pay for the costs incurred to activate the services, which is a one off fee of £30 plus the days the services were activated.

22.2.3. If you cancel once your services are activated and you are outside of your cooling off period, then you will be charged 50% of the fees payable for the remaining term of the contract or 30 days notice, whichever is greater.

23. Broadband Disconnection Fees

23.1. If you disconnect your broadband services at any point and do not transfer your services to another provider who notifies us they are transferring over the services, then a broadband disconnection fee of £30 will apply.

24. Late Payment Fees

24.1. If your payment hasn't arrived by its due date and by our reminder, a one off late payment fee of £10 will apply.

25. Suspension to Non-Payment Fees

25.1. If your payment hasn't arrived after our reminders and we need to suspend the services, a suspension fee of £10 will apply.

26. Disconnection to Non-Payment Fees

26.1. Broadband Contracts:

26.1.1. If your services are disconnected to non-payment, then the full charges for the remainder of your contract will be payable or 30 days notice, whichever is greater plus the broadband disconnection fee of £30.

26.2. SIM Contracts:

26.2.1. If your services are disconnected to non-payment, then the full charges for the remainder of your contract will be payable or 30 days notice, whichever is greater.

27. Reconnection after Non-Payment Fees

27.1. Broadband Contracts:

27.1.1. Once your services have been disconnected to non-payment, if you wish to reconnect them again you will need to pay 25% of the cancellation fees that would have applied in section 20, plus a reconnection fee of £49.

27.2. SIM Contracts:

27.2.1. Once your services have been disconnected to non-payment, if you wish to reconnect them again you will need to pay 25% of the cancellation fees that would have applied in section 20, plus a reconnection fee of £30.

28. Paper Bill Fees

28.1. Online bills are our preferred method to reduce paper, which is free of charge. If you do request to receive paper bills, then a monthly fee of £5 will apply.

29. Non-Automated Payment Fees

29.1. If your payment can't be collected by an automated payment method, such as a recurring card transaction or a direct debit, then a monthly fee of £10 will apply. This is to cover the additional processing, time and effort that goes into collecting payments manually.
